

## **Trial Social Distancing & Hygiene Measures Information Plan Over the Edge @ TNT Agility UKI Trials 2020**

We endeavor to comply with all the requirements and recommendations of the government authorities in order to limit the risk of COVID-19. If any rules should change or be added, this information will be communicated to you in the confirmation or general briefing email.

Do NOT come to the trial if you or someone close to you has symptoms related to COVID-19 or if you have been asked to self-isolate at the time of the trial.

Competitors must supply their own masks. If you forget to bring yours, we will have masks available for sale. If you do not want to use one, you will be required to leave the trial without a refund. Wearing a mask is compulsory during any briefings, course walk thru's, when you can't maintain social distance, using porta potty and any time you are near or around the scoring table.

There is ample parking for competitors. Please ensure you stay 6' away from the car beside you.

This is an OUTDOOR trial only. No competitors are allowed in the building for any reason.

A porta potty will be available on site. We ask that you please use the supplied hand sanitizer both before and after use and that you wear a mask in the porta potty. If possible, please wait 2 minutes between uses.

We strongly suggest crating from your car. If you want to bring a shade tent, you need to stay on the west side and maintain social distancing. Only competitors admitted around the rings. No spectators will be allowed.

The briefing will be emailed to competitors at least 1 day before the trial. A running order will also be provided 1 day before and will be updated during the day on the website [www.overtheedgeagility.com/uki-trials](http://www.overtheedgeagility.com/uki-trials)

Dogs may line up 3 dogs ahead on the marked-out location 2m away from each other.

Competitors will be required to run their own leashes.

Walk thru's will be split into 2 groups to give more room for social distancing. Roll call will happen during walk thru's so you will not need to check in at the gate. Remember, masks are required during walk thru.

Everyone must use the provided hand sanitizer both before and after doing any course changes including touching bars, equipment or chairs in the ring. Masks must be worn in the ring except for when running a dog.

Unfortunately, we will not be providing any food or drinks at this trial. Please remember to bring your own. There is food in Osgoode (5min away) and Kemptville (15min away).

Results will be posted online only, as soon as possible after the event has finished.

Self serve ribbons will be available for pick up. You must maintain 2m distance and wear a mask at the pick up table. If you have earned a title, you can advise the score table from a marked location 2m away while wearing a mask.

Thank you and please stay safe.
