

Over the Edge with TNT Agility UKI Trials
Sept 26 & 27, 2020 Trial Confirmation
3667 River Rd, Osgoode

Thank you for entering our September Outdoor Trial! Safety is extremely important to us and we endeavor to comply with all the requirements and recommendations of the government authorities in order to limit the risk of COVID-19. If any rules should change or be added, this information will be communicated to you in the confirmation or general briefing email.

Please do NOT come to the trial if you or someone close to you has symptoms related to COVID-19 or if you have been asked to self-isolate at the time of the trial.

Competitors must supply their own masks. If you forget to bring yours, we will have masks available for sale. If you do not want to use one, you will be required to leave the trial without a refund. Wearing a mask is compulsory during any briefings, course walk thru's, when you can not maintain social distance, using porta potty and any time you are near or around the scoring table.

This is an OUTDOOR trial only. NO competitors are allowed in the building for any reason.

A porta potty will be available on site. We ask that you please use the supplied hand sanitizer both before and after use and that you wear a mask in the porta potty. If possible, please wait 2 minutes between uses.

We strongly suggest crating from your car. If you want to bring a shade tent, you need to stay on the west side and maintain social distancing. Only competitors admitted around the rings. No spectators will be allowed.

The running order is available on the website at www.overtheedgeagility.com/uki-trials Any changes after today will be handwritten on the gate sheet. 2 Gate sheets will be available around the outside of the building so you can see when you are up.

A warm-up jump will be available, the provided hand sanitizer must be used before and after setting the bar.

Competitors may have to run their own leashes.

Walk thru's will possibly be split into 2 groups to give more room for social distancing, small classes may do 1 walk thru. Roll call will happen during walk thru's so you will not need to check in at the gate.

** Remember, masks are required during walk thru.

Everyone must use the provided hand sanitizer both before and after doing any course changes including touching bars, equipment, or chairs in the ring. Masks must be worn in the ring except for when running a dog.

Unfortunately, we will not be providing any food or drinks at this trial. Please remember to bring your own. There is food in Osgoode (5min away) and Kemptville (15min away).

Results will be posted online only, as soon as possible after the event has finished.

Self serve ribbons will be available for pick up. You must maintain 2m distance and wear a mask at the pickup table. If you have earned a title, please let us know so we can give you a title medal.

Please see the map showing parking, crating, where the gate sheets will be located and how we would like competitors to go in and out of the ring.
